

student of criminology fitting himself for job on police force. Evidently Charles knows about N. Y. police force.

**Frank Temple, Fond du Lac,** Wis., laid gun on brushpile. Then began throwing sticks over shoulder. One stick landed on trigger of gun, and Frank went go hunting any more.

**Jaisant Gaekwar, Indian** prince at Harvard, going to send home for million dollar diamond and hock it. Jaisant must be studying hard at Harvard.

**Sigh** came from body of **Pietro Falleta** after it was removed from electric chair at Sing Sing. Physicians thought he was alive, and worked over body for hour, but without result.

When his automobile broke down, **Atty. Chas. McIntyre, St. Louis**, said no machine could beat him. Perhaps he will recover from effects of gasoline explosion.

**J. Pierp. Morgan** stubbed his toe and fell in church yesterday. How did Pierp. get into church?

**Andy Carnegie** telegraphed best wishes for Chinese republic to **Wu Ting Fang**. Wu telegraphed back he liked good wishes, but would Andy please ask U. S. to recognize republic. Wu has a way of getting down to cases.

**French scientist** has discovered that man lived 500,000 years ago. But that doesn't help us to live today.

**Prince of Monaco** has ordered son to legitimize little daughter. How, and in what order?  
**Rev. J. A. Schaad, rectory** flash-

ionable **St. Paul, Minn.**, church, says he wont officiate at weddings where women are only partly clothed—meaning the way society women aren't dressed.

"Not until **William Lorimer** is laid away in political death will Illinois women gain suffrage."—**Mrs. Celia P. Wolley**. The shrouds are being prepared, **Celia**.

**Virginia Brooks'** life has been threatened. Not because she has been waging war on **West Hammond** vice—that is a very creditable thing to do. But because she has made public the names of the "respectable" citizens who own **West Hammond** resorts—that interferes with business.

**St. Louis woman** wants divorce because hubby hasn't kissed her in 5 years.

After **Saturday's** football game, **Yale** students wrecked **New Haven** theater at which **Gabys Deslys** was playing. It wasn't disgust at **Gaby**, either.

**Reno's latest scandal** is a "divorce dance"—and the less said about it the better.

**U. S. District Attorney Wise, N. Y.**, announces it is impossible to get federal judges to send rich to jail. Cites case of former governor of state convicted of smuggling and fined, while next case, poor Greek, same offense, went to penitentiary.

It's taken **Wise** a long time to find out what was plain enough.

**S. L. Reynolds, 88, DeKalb, Ill.**, married **Mrs. Lou Darling, 68**.

**Town of Forward, Saskatchewan**, decided to move. **Blizzard**
